## 3. Georgia's Hiccup

**\*\*GEORGIA'S HICCUP\*\***

Hey everyone my names Hiccup, but in my home state of Georgia I'm known as the American Kid. I'm the number one country singer in Georgia for my age. My dad's name is Stoick, but here he's called Uncle Sam, please don't ask why. He's the president of our group. My mom's is Val, she's my adviser we call her Love Story, again please don't ask. Dad's best friend and college is my security his names Gobber, but I like to call him the White Pine, now him I can tell you why I named him that. First because he's white and second the hairs on his arms are like pine needle. (\*\*Don't judge) \*\*My life was going sweet untilâ€¦|

US: "HICCUP!" my father boomed out loud enough to wake all of Georgia.

AK: "hmm five more minutes." I grumbled in my sleep.

US: "Hiccup you don't want to be late for your performance do ya?" he said banging on my door.

AK: "hmm performanceâ€¦| (\*\*3â€¦|2â€¦|1â€¦|) \*\*THE PERFORMANCE ICAN'T BELIEVE I FORGOT!" I screamed in panic.

I literally jumped out of my bed and ran to the bathroom to brush and shower, after that I ran into my closet to find my performance clothes. It's just blue jeans, country boots, a black sleeveless shirt that say's \_That's My Kind Of Night\_ \*\*(Title of Luke Bryan song)\*\*. On the back it has my six favorite country stars Luke Bryan, Kenny Chesney, Taylor Swift, Jason Aldean, Gloriana, and Florida Georgia Line. And my cross necklace. After I was dressed I ran down stairs like a rifle shot.

AK: "I'm readyâ€¦| I'm ready." I called panting like an over heated coyote.

US: "Good now come on your mother is already at the Holler." He said pushing me out the door.

He got into his navy blue Ford Mustang and was gone in a flash. Me on the other hand jumped in my black Ford F-150 Raptor and left the drive.

It will be a while until we get there so let me tell you about my truck. I drive a black Ford F-150 Raptor with 35's with rims custom made in the shape of the Bone Collector logo. It's got enough room inside to hold six people, I also got it jacked up and tweaked so the gas mileage is excellent. The interior is pitch black with dragon scaled patterns on the seats. Got a cross hang'n from rear view mirror. Best exhaust money can buy. Upgraded engine just incase some one challenge's me to a mudd'n race. 4 wheel drive and off-road tires from Luke Bryan himself. The venal has a green dragon eye on both sides of the truck; my grill has purple blue flames, covered in scale design. In other words it's the strongest and fastest vehicle in Georgia. Ok were here.

As I pull into my parking spot I see thousands of people going inside. I head to the back for final peperation's when I get enveloped in a pine hug.

AK: Itsâ€|good toâ€|see you tooâ€|White Pine." I choked out unable to breathe.

LS: Come on now Gobber put my son down." My mother said getting annoyed.

WP: "Sorry Val sorry Hiccup." He said rubbing the back of his neck.

AK: "Its ok White Pine now get out there and announce me already." I said pointing to the stage.

WP: "Right." He said walking to the stage. "Please welcome the one and only American Kid." WP boomed with excitement.

As the stage light turned on me and the band were nowhere to be seen untilâ€|

I got that real good feel good stuff  
>Up under the seat of my big black jacked up truck<br>Rollin' on 35s  
>Pretty girl by my side <p>

The crowd turned to find me and the band on our trucks.

You got that sun tan skirt and boots  
>Waiting on you to look my way and scoot<br>Your little hot self over here  
>Girl hand me another beer, yeah!<p>

All them other boys wanna wind you up and take you downtown  
>But you look like the kind that likes to take it way out<br>Out where the corn rows grow, row, row my boat  
>Floatin' down the Flint River, catch us up a little catfish dinner<br>Gonna sound like a winner, when I lay you down and love you right  
>Yeah, that's my kind of night!<p>

Might sit down on my diamond plate tailgate  
>Put in my country rock hip-hop mixtape<br>Little Conway, a little T-Pain, might just make it rain

You can hang your t-shirt on a limb  
>Hit that bank and we can ease on in<br>Soak us up a little moonlight  
>You know I know what you like, yeah!<p>

All them other boys wanna wind you up and take you downtown  
>But you look like the kind that likes to take it way out<br>Out where the corn rows grow, row, row my boat  
>Floatin' down the Flint River, catch us up a little catfish dinner<br>Gonna sound like a winner, when I lay you down and love you right  
>Yeah, that's my kind of night!<br>Yeah, that's my kind of night!

My kind of your kind of its this kind of night  
>We dance in the dark and your lips land on mine<br>Gonna get our love on  
>Time to get our buzz on<p>

All them other boys wanna wind you up and take you downtown  
>But you look like the kind that likes to take it way out<br>Out  
where the corn rows grow, row, row my boat  
>Floatin' down the Flint River, catch us up a little catfish  
dinner<br>Gonna sound like a winner, when I lay you down and love you  
right  
>Yeah, that's my kind of night!<br>Yeah, that's my kind of night!  
  
>Yeah, that's my kind of night!<br>Yeah, that's my kind of night!  
  
>Come on... <p>

After 5 more songs the show was over and everyone including myself  
headed home. After about 30 min. I was back home. As I walked in the  
front door my mom and dad were standing there staring at me.

AK: "What?" I asked confused.

US: "Well son we got a letter form Kentucky and they have a high  
school just for country kids and well we enrolled you." He said with  
pride.

LS: "To think that Back Woods High wants are little boy." She said  
full of pride.

AK: "Ummâ€| okâ€| so when do we leave?" I asked scared out of my  
mind.

US: "Tomorrow morn'n." he answered smile'n.

LS: "Isn't it exciting!" she said ecstatic.

AK: "Yeah exciting." I answered sarcastically.

As I walked up the stairs to my room I could hear my parents  
laughing. I was happy that they were finally happy, but stillâ€| as I  
fell into my bed only one word crossed my mind.

AK: "Fuck." I groaned and then fell asleep.

#### 4. Tennessee's Astrid

**\*\*TENNESSEE'S ASTRID\*\***

Hey everyone my names Astrid, but in my home state of Tennessee I'm  
known as Teardrop Sparks. I'm the number one country singer in  
Tennessee for my age. My dad's name is Gurgan, but here he's called  
the Dirt Road, please don't ask why. He's the president of our group.  
My mom's is Helga, she's my adviser we call her White Horse, why you  
might ask, well lets just say she under tall **\*\*(The 6\*\*\*\*th\*\*\*\* score  
on fat AKA WTF)\*\***. My sister runs the security her names Reece, but I  
call Chainsaw, and that's because of the chainsaw she carries with  
her anywhere. **\*\*(Don't judge) \*\***My life was going sweet untilâ€|

DR: "ASTRID!" my father boomed out loud enough to wake all of  
Tennessee.

TS: "Gods let me sleep." I grumbled in my sleep.

DR: "Astrid you don't want to be late for your performance do ya?" he said banging on my door.

TS: "hmm performanceâ€¦ ( \*\*3â€¦2â€¦1â€¦ ) \*\*OH SHIT!" I screamed in panic.

I jumped out of my bed and ran to the bathroom to brush and shower, after that I ran into my closet to find my performance clothes. It's just torn skinny blue jeans, country boots, a black sleeveless shirt that say's \_Sparks Fly\_ \*(Title of Taylor Swift song)\*. On the back it has my six favorite country stars Luke Bryan, Kenny Chesney, Taylor Swift, Jason Aldean, Gloriana, and Florida Georgia Line. And my cross necklace. After I was dressed I ran down stairs like a rifle shot.

TS: "Okâ€¦let'sâ€¦go." I called panting like an over heated coyote.

DR: "Good now come on your mother is already at The Barn." He said throwing me out the door and into his blood red Ford F-250.

I don't have a vehicle yet, but when I do its going to be the best truck in Tennessee. Ok were here.

As I pull into dad's parking spot I see thousands of people going inside. I head to the back for final preparations when I get whack in the back of my head.

TS: "And it's good to see you to Chainsaw." I said sarcastically while rubbing the back of my head.

CS: "Come on sis you know you love me." Chainsaw said with Puppy eyes.

TS: "Yeah now get out there and introduce me already." I said pointing to the stage.

CS: "Fine jeez." she said walking to the stage. "Please welcome the one and only Teardrop Sparks." CS boomed with excitement.

As the stage light turned on the band was on the ground while I was laying on one of the rafter's.

The way you move is like a full-on rainstorm  
>And I'm a house of cards<br>You're the kind of reckless that should send me running  
>But I<br>Kinda know that I won't get far

And you stood there in front of me just  
>Close enough to touch<br>Close enough to hope you couldn't see

>What I was thinking of<p>

I then jumped from the rafter's and landed infront of the band.

Drop everything now  
>Meet me in the pouring rain<br>Kiss me on the sidewalk  
>Take away the pain<br>'Cause I see sparks fly  
>Whenever you smile<p>

Get me with those green eyes, baby  
>As the lights go down<br>Give me something that'll haunt me  
>When you're not around<p>

'Cause I see sparks fly  
>Whenever you smile<p>

My mind forgets to remind me  
>You're a bad idea<br>You touch me once and it's really something  
>You find I'm even better than you imagined I would be<p>

I'm on my guard for the rest of the world  
>But with you<br>I know it's no good  
>And I could wait patiently, but<br>I really wish you would

Drop everything now  
>Meet me in the pouring rain<br>Kiss me on the sidewalk  
>Take away the pain<p>

Drop everything now  
>Meet me in the pouring rain<br>Kiss me on the sidewalk  
>Take away the pain<p>

'Cause I see sparks fly  
>Whenever you smile<p>

Get me with those green eyes, baby  
>As the lights go down<br>Give me something that'll haunt me  
>When you're not around<p>

'Cause I see sparks fly  
>Whenever you smile<p>

I'll run my fingers through your hair  
>And watch the lights go wild<br>Just keep on keeping your eyes on me  
>It's just wrong enough to make it feel right<p>

And lead me up the staircase  
>Won't you whisper soft and slow<br>I'm captivated by you, baby  
>Like a fireworks show<p>

Drop everything now, meet me in the pouring rain  
>Kiss me on the sidewalk, take away the pain<br>'Cause I see sparks fly  
>Whenever you smile<p>

Get me with those green eyes, baby  
>As the lights go down<br>Give me something that'll haunt me  
>When you're not around<p>

'Cause I see sparks fly  
>Whenever you smile<p>

And the sparks fly  
>Oh, baby, smile<br>And the sparks fly.  
>Woah.. Oh..

After 5 more songs the show was over and everyone including myself headed home. After about 30 min. I was back home. As I walked in the front door my mom was just standing there staring at me.

TS: "What?" I asked confused.

WH: "Well Hun we got a letter from Kentucky and they have a high school just for country kids and well we enrolled you." She said with joy.

DR: "To think that Back Woods High wants are little girl." Dad said full of pride.

TS: "Soâ€| when do weâ€| leave?" I asked reversely.

WH: "Tomorrow morn'n." She answered smile'n.

DR: "Isn't it exciting!" He said ecstatic.

TS: "Yeah exciting." I answered sarcastically.

As I walked up the stairs to my room I could hear my parents laughing. I was happy that they were finally happy, but stillâ€| as I fell into my bed only one word crossed my mind.

## 5. SORRY

\*\*Hi reader's sorry that me and my sis haven't posted any new chapters of late, but with her focusing on school and I with the Halloween preparations we've been a bit preoccupied. Any way on October 1\*\*\*\*st\*\*\*\* their will be 2 or 3 new chapters, but for now let me give all of you with a preview of chapter 3 \*\*\_\*\*BROTHER REUNION.\*\*\_

US: well everyone were here." My dad said as we all got out of the car.

US: so what do you think my boy?" he asked coolly.

AK: BEARD OF THOR!" I screamed.

AK: Just a few more twe..." I said working on a white truck beforeâ€|

LS: Hiccup someone will be staying with us." My mother says opening the door

NF: How you been bro?" a familiar voice says.

\*\*So anyway we have this as a preview I know it doesn't explain a lot, but it's the best we could come up with. Well in the next chapter you'll hear Toby Keith-\*\*\_\*\*MADE IN AMERICA\*\*\_\*\*. Talk to you all soon see ya later.\*\*

## 6. Trucks and Company

\*\*DP 5-1-5-0: Sorry that my sis and I are 4 day's late. Anyway let's just get on with the story shall we.\*\*

Well it took us about a week to get to Kentucky and we've just pulled into our new home's drive way. As we were getting out of our vehicles.

AK: Beard of Thor!" I shouted with surprise.

US: So son what do you think?" as my father asked this I looked at him with the usual `your joking` look.

AK: Itsâ€|It's a mansion." I said looking from him to the house.

LS: Come on you two help me with everything before the others show up." Mom scowled dad and I.

While mom and dad were finishing up the details in the house I decided to go truck hunting. Well while I was diving around Berk I found a sky blue Ford F-150 XLT that was for sale. As I pulled in the drive and got out a man came to me.

Man: So boy you looking to buy this beauty?" he said.

AK: Yes sir, that truck is beautiful." I agreed.

Man: Well I could let her go for a fair price." He said with a crooked smile.

AK: Alright how much?" I asked.

Man: 20 Grand." He offered.

AK: Ok before I accept I need to inspect her." I said knowing his plan.

Man: By all means go ahead." He said.

As I inspected the truck I noticed that the bed was covered in rust, the seat's were ripped, the trucks body from afar looked awesome but up close you could tell it was covered in dents, chips, and scratches, and not to mention it didn't even start. After my inspection I went to the man.

AK: 5 Grand for the truck." I offered.

Man: I can do 15." He offered.

AK: Ok how about 10?" I offered

Man: sighâ€| Fine deal." He said

After our deal I called Gobber so I could get this truck home. Gobber was there in about 10 minutes and in another 5 the truck was loaded up an heading to my garage back home. Hopped in my truck and turned on the CD I chose \_\*\*Our Song by: Teardrop Sparks\*\*\_.

I was riding shotgun with my hair undone  
>In the front seat of his car<br>He's got a one-hand feel on the

steering wheel  
>The other on my heart<p>

I look around, turn the radio down  
>He says, baby is something wrong?<br>I say, Nothing I was just thinking  
>How we don't have our song and he says<br>Our song is the slamming screen door  
>Sneakin' out late, tapping on your window<br>When we're on the phone and you talk real slow  
>'Cause it's late and your mama don't know<p>

Our song is the way you laugh  
>The first date when I didn't kiss her and I should have<br>And when I got home, before I said amen  
>Asking God if He could play it again<p>

I continued to look around for anymore trucks.

I was walking up the front porch steps  
>After everything that day<br>Had gone all wrong or been trampled on  
>And lost and thrown away<p>

Got to the hallway, well, on my way  
>To my lovin' bed<br>I almost didn't notice all the roses  
>And the note that said<br>Our song is the slamming screen door

>Sneakin' out late, tapping on your window<br>When we're on the phone and you talk real slow  
>'Cause it's late and your mama don't know<p>

Our song is the way you laugh  
>The first date when I didn't kiss her and I should have<br>And when I got home, before I said amen  
>Asking God if He could play it again<p>

trucks but came up with nothing.

And I've heard every album, listened to the radio  
>Waitin' for something to come along<br>That was as good as our song

>'Cause our song is the slamming screen door<br>Sneakin' out late, tapping on his window  
>When we're on the phone and he talks real slow<br>'Cause it's late and his mama don't know

Our song is the way he laughs  
>The first date when I didn't kiss him and I should have<br>And when I got home, before I said amen  
>Asking God if He could play it again<br>Play it again, oh, yeah, oh, oh, yeah

So I headed home.

I was riding shotgun with my hair undone  
>In the front seat of his car<br>I grabbed a pen and an old napkin  
>And I wrote down our song<p>

It took me about an hour to get back home and when I pulled into the main drive I noticed a black Chevy Silverado in the garage. As I pulled into my star truck parking spot there were two men and three women talking to mom and dad. I got out and walked to up.

LS: Hiccup there you are, come and meet the company." Mom said smiling.

Everyone turned to face me but I had my mask on so no one could see it. I walked up to a man and gave him a shake, and then I bowed to the women welcoming them. Then I went to the young women bowing to her as well, then turn to a young woman wearing a mask as well I took her hand and gave it a kiss. Then to the young man.

YM: Been a long time now hasn't it bro?" he said.

AK: Broâ€¦Black Chevy Silverado; wait Toothless is that you?" I said in disbelief.

NF: Well at least you haven't forgotten me." He said sarcastically.

AK: Ha-Haâ€¦ Very funny." I said childishly.

AK: Anyway who are all of you?" I asked turning to the group.

US: Oh; Hiccup this is Gurgan, his wife Helga, and their two daughter's Reece and Astrid. They'll be staying with us for the school year." Dad answered.

AK: well I hope you all enjoy your stay but I have one rule if someone needs me call through the radio, I don't want anyone in my part of the house, garage, or the forest without me with them. On that note goodnight." I said before running to my garage.

DR: You were right Stoick he is a spirited one isn't he girls?" he said.

CS: I think he's cool [can't wait to see what's in that garage]." She said with a snicker.

TS: He just better not get in my way [I wonder why he wears a mask]." She said with a huff.

AK: Well that went well." I said sarcastically. "Time to get to work on this truck." I said.

NF: need some help Hic?" Toothless asked out of nowhere.

AK: GODS DON'T DO THAT!" I screamed at him I keep on forgetting how quiet he is.

NF: Sorry bro didn't mean to scare you." He apologized.

AK: It's alright Tooth and yeah I could use some help with this thing." I said.

Unknown to us that there was a cute young blonde watching us through the window the whole time.

TS: [who is this kid why does he sound and look so familiar]? She thought and left while pondering all the way to the house.

\*\*Ok everyone there's #1, #2 will be up tomorrow midday, and #3 will be up Monday night. Anything you want to add sis.\*\*

\*\*Review/PM/Rate and all music goes out to it's true origin.\*\*

## 7. Gas Monkey & Secrets

\*\*DP's: Hope you all enjoy this chapter. We had to fix it up a little bit.\*\*

NF: Ok hiccup we got 3 months before school so what are we going to do about this hunk of junk?" he asked.

AK: Well let's see Berk doesn't have the right specs for us soâ€¦ (Snap) I got it we'll take it to Richard and Aaron in Dallas Texas." I said feeling quit smart.

NF: You know hic that's not a bad idea but what about mom and dad and not to mention are guests?" he asked.

AK: Believe me Tooth once I tell mom and dad why were going they'll let us." I explained.

NF: Alright but why are we going?" he asked.

AK: Wellâ€¦ you seeâ€¦ Iâ€¦" I stuttered not knowing how to put it.

NF: Oh now I know why." He said getting the picture.

AK: Wait what I didn'tâ€¦" I tried to defend.

NF: Don't worry you Romeo I won't tell." He snickered

AK: Whooâ€¦" I said in relief.

NF: Besides it'll be more hilarious when you give it to her." He said laughing his ass off.

AK: You know Tooth?" I asked.

NF: Yeah" he said trying to stop laughing.

AK: You can be a real jack ass sometimes." I snapped

NF: Ouch hiccup I'm hurt yoâ€¦" he whined.

AK: Yeah yeah now shut it and let motor." I snapped before he could go into his big baby boo stage.

After we explained to mom and dad about my plan and Toothless snide comments we hooked up the trailer to my Raptor and hauled ass down to Dallas with the dead truck. It took us about a week to arrive in Dallas and once there me a Tooth switched seats so he drove why'll I called the Gas Monkey crew.

Over phone:

\_R: Gas Monkey Garage Richard here."\_

AK: Hey Rich it's me Hiccup."

\_R: Hiccup my man what you been up to and how's that Raptor of yours holding up?"\_

AK: Oh nothing really just waiting for school to start and the Raptor is plowing through the fields."

\_R: Sweet so what can I do for you?"\_

AK: Well how about you and the crew come outside and you'll see."

End call:

We pulled in and the crew was all outside waiting. Once we pulled right next to them Richard's mouth dropped at the sight of my truck.

R: Hiccup what did you do to that truck?" he said in bewilderment.

AK: Oh you know put so Hiccup flare in him and now he the strongest truck in Georgia." I said with pride.

A: You wouldn't mind if Richard and I took a look at it?" he asked string wide eyed at the beast.

AK: Sure go right ahead and inspect away." I said.

After their inspection they came up to me and Tooth.

R: So Hiccup what's the price?" he asked.

AK: Noâ€|noâ€|noâ€| were not here to sell." I said.

NF: Yeah we need that hunk of junk on the trailer to be turned into a beauty." he told him.

A: That thing you can't be serious. That'll cost thousands to fix her." He said questioning.

AK: Well then it's a good thing I brought million's." I said with a smirk.

A&R: WHAT?" they screamed.

AK: Tooth the list?" I asked.

AK: You guys might want to sit down for this is going to be your hardest job ever." I told them.

After we all sat I started the list.

R: You got yourself a deal." He said shacking my hand.

AK: Alright Tooth lets get moving." I told him getting into the truck.

We left them to their Monkey Business and headed back to Berk again it took about a week to get back once we pulled into the drive Tooth said he wanted to go see the town, so he went and once gone I headed for the garage when I heard a angelic voice coming from the forest so as curious as I am I followed the voice. Walked about I don't know 2 miles maybe until I came across a beautiful cove and sure enough the voice was coming form down there but my only question was who is it. Once I got to the bottom I saw a certain blonde head girl by a lake

singing it was Astrid. So I silently leapt onto a bolder right above her and listened.

TS: Right now he's probably slow dancing  
>With a bleached-blond tramp<br>And she's probably getting frisky  
>Right now, he's probably buying<br>Her some fruity little drink  
>'Cause she can't shoot whiskey<p>

AK: Hm I know this song Carrie Underwood: Before He Cheats but why does Astrid's voice sound so familiar." I said shocked.

TS: Right now, he's probably up behind her  
>With a pool stick<br>Showing her how to shoot a combo  
>And he don't know<p>

I dug my key into the side  
>Of his pretty little souped-up 4 wheel drive<br>Carved my name into his leather seat  
>I took a Louisville slugger to both head lights<br>Slashed a hole in all 4 tires  
>And maybe next time he'll think before he cheats<p>

AK: Shit I wonder who pissed her off?" I thought wanting to go and comfort her.

TS: Right now, she's probably up singing some  
>White-trash version of Shania karaoke<br>Right now, she's probably saying, "I'm drunk"  
>And he's a thinking that he's gonna get lucky<p>

Right now, he's probably dabbing on 3 dollars  
>Worth of that bathroom Polo<br>Oh and he don't know

That I dug my key into the side  
>Of his pretty little souped-up 4 wheel drive<br>Carved my name into his leather seat  
>I took a Louisville slugger to both head lights<br>Slashed a hole in all 4 tires  
>And maybe next time he'll think before he cheats<p>

I might've saved a little trouble for the next girl  
>'Cause the next time that he cheats<br>Oh, you know it won't be on me!  
>No, not on me<p>

'Cause I dug my key into the side  
>Of his pretty little souped-up 4 wheel drive<br>Carved my name into his leather seat  
>I took a Louisville slugger to both head lights<br>Slashed a hole in all 4 tires  
>Maybe next time he'll think before he cheats<br>Oh, maybe next time he'll think before he cheats  
>Oh, before he cheats<br>Oh

(rustle, rustle) I look over and see a teen come out of the brush and up to Astrid.

AK: Wonder who this guy is." I thought.

SL: Hey Astrid come on it was just a little kiss I gave her." He tried to explain.

He was getting a bit too close to her. Then Astrid stood up.

TS: No leave me alone Scot." She said with a sniffle.

SL: First off the name's Snotlout and second you know you want this Astrid." He said seductively or something like that.

I looked at her face and there were tears running down her face under her mask. Then it hit me he's the reason she sang that song.

TS: Just leave me alone already Scot!" She screamed.

Then (whack) Astrid was flat on the ground with a red mark across her face. Astrid tried to run but he grabbed her arm knelt her in the gut. Ok now that crossed the line I silently leapt off the boulder and into the tree Astrid was laying against.

SL: I told you the name's Snotlout you whore!" he said.

TS: Scot please." She begged

And right before he through the punch an arrow pierced his shoulder. He fell over screaming and then pulled it out holding his wound and looking for the shooter. But all he heard was the sound of a song.

AK: American Girls and American Guys  
>Will always stand up and salute<br>Will always recognize  
>When we see Old Glory Flying<br>There's a lot of men dead

SL: who are you?" he asked trying to act tough but I could tell he was scared.

AK: So we can sleep in peace at night  
>When we lay down our head <p>

SL: Where are you?" he roared.

AK: My daddy served in the army  
>Where he lost his right eye<br>But he flew a flag out in our yard  
>Until the day that he died<br>He wanted my mother, my brother, my sister and me  
>To grow up and live happy<br>In the land of the free.

SL: Show yourself coward." He called.

AK: Now this nation that I love  
>Has fallen under attack<br>A mighty sucker punch came flying in  
>From somewhere in the back<br>Soon as we could see clearly  
>Through our big black eye<br>Man, we lit up your world  
>Like the 4th of July<p>

Hey Uncle Sam

>Put your name at the top of his list<br>And the Statue of Liberty

>Started shaking her fist<br>And the eagle will fly  
>Man, it's gonna be hell<br>When you hear Mother Freedom  
>Start ringing her bell<br>And it feels like the whole wide world is  
raining down on you  
>Brought to you Courtesy of the Red White and Blue<p>

Justice will be served

>And the battle will rage<br>This big dog will fight  
>When you rattle his cage<br>And you'll be sorry that you messed with

>The U.S. of A.<br>'Cause we'll put a boot in your ass  
>It's the American way<p>

Hey Uncle Sam

>Put your name at the top of his list<br>And the Statue of Liberty

>Started shaking her fist<br>And the eagle will fly  
>Man, it's gonna be hell<br>When you hear Mother Freedom  
>Start ringing her bell<br>And it feels like the whole wide world is  
raining down on you

I then jump to the ground in front of Astrid.

AK: Brought to you Courtesy of the Red White and Blue

To them I must have look deadly I mean come on I had a black bow  
covered in komodo dragon scales, a quiver full of arrows with red  
metal tips, black leather clothing, and two Mossy Oak hunting knives  
at my thighs. Not to mention having a Paragon Falcon on my  
shoulder.

SL: Whâ€|who are you?" he squeaked.

AK: Me why I'm American Kid and also you're going to pay for hurting  
Astrid." I said walking towards him.

SL: Wait how do you know her name?" he asked.

AK: Lets just say were close now you can ether run screaming like a  
bitch or I can shove both of my knives through your heart what's it  
going to be Scot?" I said as cold as an Alaska blizzard.

SL: Whâ€|whaaaaâ€|" he screamed running off.

After Mr. Buffalo Balls was gone I turned to Astrid and went to take  
care of her injuries.

TS: No please stay away from me!" she screamed in horror that I might  
hurt her.

AK: Astridâ€|Astrid calm down." I said trying to get her to stop  
trying to move.

TS: Wait how do you know my name?" she said in shock.

AK: Two ways; first, heard that Scot character say your name and  
second I think I'd know my biggest fan." I said trying to be cute on  
the last part.

TS: Yourâ€|Yourâ€|" she stuttered

AK: American Kid yes but that's not important right now. What is important is getting you somewhere safe." I said concerned.

TS: There's a house that I'm staying in with some other's giant mansion sized house on the edge of the forest." She explained

I went to pick her up but she was hesitant at first but finally let me. As I carried her back.

TS: Thank you." She said softly.

AK: Shhhhâ€| just relax." I said trying to get her to rest.

And to my surprise she fell asleep in my arms. Once at the house I noticed no one was home so their was only one thing to do so I took her into my part of the house and into my room and laid her down on my bed and went to change into my Hiccup close and get something for her to eat when she awoke, but before I left I heard her mumble.

TS: I love you American Kid."

AK: Sleep tight Astrid." I said giving her forehead a kiss.

Then I heard a knock on my door.

\*\*DP 5-1-5-0: well that was interesting to say the least.\*\*

\*\*DP Love Story: well I'm an interesting girl bro.\*\*

\*\*DP 5-1-5-0: that you are sis that you are.\*\*

## 8. A Day With Reece

\*\*DP 5-1-5-0: Enjoy \*\*

As I open the door I saw Reece standing with a face of pure rage.

AK: Um can I help you laâ€|?" I said before she talked me to the floor.

CS: Who are you?" She asked bitterly.

AK: I'm Amerâ€|" I tried.

CS: Why are you in Hiccup's house?" She spat.

AK: He's a frieâ€|" I tried to say.

CS: Where's Astrid?: She yelled.

AK: Wait whoâ€|" I said butâ€|

CS: Answer Me!" She screamed.

I really didn't want to use force but, she left me with no choice so

I flipped her over so she was under me now.

AK: Shut It Will You!" I said sternly.

CS: Buâ€| "

I put my hand over her mouth so she'd finally shut her dam mouth.

AK: My names American Kid, I'm a old friend of Hiccup's, and your sis is up in his room sleeping. Now tell me why you're here?" I answered and asked.

CS: I got a phone call form her boy friend Scott saying that a man in black leather, red tipped arrows, a scaled bow, and had a bird shot him while he and Astrid were on a date and that the man kidnapped her and left him for dead." She said a little angry.

I got off her and held out my hand to help her up which she did and then had her follow me into the garage.

CS: So are you going to talk or what?" She asked a bit still uncertain of me.

I let down the tail gate of Night Fury and took a seat.

AK: Sit and I'll explain." I said patting the tail gate.

So she sat.

AK: Beer?" I offered handing her one, while popping my own.

CS: Sure I'd love one." She said taking it and popping the top.

AK: Alright the phone call is almost a complete lie." I said taking a gulp.

She looked at me with a what! Look.

AK: You see I was walking through the forest when I heard a soft humming coming from the cove which is my personal training and hunting area. Any who I followed the sound to the cove and hid on a bolder while listening to someone singing that's when I saw your sis down by the water singing Before He Cheats by: Carrie Underwood. Her voice sounded so familiar to me but I still can't place it. Any way when she finished the song some buff sort of round man came through the brush and he was looking for Astrid. They were having a heated argument right in front of me. Bad enough that it made her cry her heart out and bad enough for him to knee her in the gut." I said with a bit of venom.

She looked at me shocked and I gestured her to follow me to the kitchen.

AK: That's when I intervned even though I knew it wasn't the time to mess around I wanted to scare the living shit out of the bastard, so I sang my own little tune Courtesy Of The Red, White, And Blue by: Toby Keith."

I grabbed an ice pack from the freezer and handed it to Reece.

AK: I did shoot him with one of these girls, if we have time I'll show you how to make them and there purpose."

AK: I threatened to shove both knives through his heart if he didn't leave."

CS: Did he run?" She asked which surprised me a little.

AK: Like a bitch." I said with an evil smile.

AK: And once he left I went to look over your sis's injuries and man is she stubborn. I almost thought I was going to have to knock her out to get her here but instead she gave in and I carried her here I was going to change after leaving her to sleep in my room but then you knock and here we are." I said finishing the tale.

We started walking up the stairs.

CS: You know I'm wondering." She said out of the blue.

AK: Yeah what about?" I asked even though I had a feeling I know what she is going to say.

CS: Well you knew Astrid was my sister and I never said she was so how did you know?" she asked.

AK: Iâ€¦ Iâ€¦" I stuttered.

CS: And you also said she is in your room but this is hiccup's house and theirs only one bedroom in this part of the house soâ€¦" she questioned.

AK: Iâ€¦ fine you win lets just get this to Astrid first." I said defeated.

We went to my room and I let Reece do the medical work while I just fetched what she asked. She said she wanted some alone time with Astrid which I obliged. I went back to the garage and sat back on the tail gate when a certain Chevy pulled up beside my truck.

NF: Hey Hic what are you doing in your hunting attire and without your mask on?" Tooth asks.

AK: Just thinking." I answered.

NF: Hm ok." He shrugged.

AK: Hey Tooth you want to help me with something?" I asked in a bit of a hesitant state.

NF: Sure bro what is it?" He asked

About an hour later Reece was looking for me but all she got was a note that said

\_AK: Go to the cove and sit on the bolder you'll have your answer there.\_

So she went to the cove to find me and Tooth standing on our truck

beds.

CS: What's going on here Hiccup?" She asked.

AK: The truth, hit it Tooth." I called to him.

Toby Keith: I Love This Bar.

We got winners, we got losers

Once I was done I walked over to her and removed the mask.

AK: Soâ€¦" I say.

CS: Hiccup equals American Kidâ€¦" she said and faint's.

AK: Oh great now we have two out cold." I said sarcastically.

NF: Well we might as well get her back to the house as well bro."  
Tooth added.

AK: Yeah let's get moving." I said with a shake of the head.

\*\*DP 5-1-5-0: hi everyone I hope you like this my sis let me do this chapter and if It gets good status I'll get to make another chapter some time. Also sorry for updating so late.\*\*

## 9. RETURN OF DP5-1-5-0

\*\*Hey everyone I'm SO sorry you had to wait for such a long time, but I'm back and so is my sis. I know most of you (or all) want an explanation for this. Well I'll make it short but if you want to know the whole thing let me know and PM. Well the sis and I had to go to another continent for a distant family reunion or something of the sort. Stayed for a week, at least that was the plan "sigh" we both had to go to court there and in America. Apparently a far off cousin of ours died after having two kids, but the father was able to raise them until they were eight and nine. So he just threw them to another family member but they didn't know how to raise children and one thing led to another and just last month we both returned to America but what we didn't expect was that somehow the family dropped the kids on sis and I. Now sis and me are parents, she got the girl and I got the boy. It's been hard but we've managed and the bond is growing more so than other's a.k.a me and my son. Sis never was great with kids. But that's why we've been gone for so long. Again I'm so sorry you had to wait but now we've got more imaginations for all this. Anyway I hope you'll enjoy these continuation's and new stories (we have just started working on are first pokemon fanfiction so I hope you'll check it out tomorrow. Anyway got to go, got to help my sis before he mind brakes the third chain. BYE! \*\*

End  
file.
